The Stonewall County Appraisal District was created by the Texas Legislature. The first meeting of the Stonewall County Appraisal District was held on January 11, 1980 called by the County Judge to organize the Board of Directors. A seven member Board was appointed to govern the Appraisal District.

The Appraisal District is responsible for appraising property in the district for ad valorem tax purposes for each taxing unit that imposes ad valorem taxes on property. Stonewall County Appraisal District is a political subdivision of the state.

The Stonewall County Appraisal District still has a seven member Board of Directors in which their primary functions are to hire the Chief Appraiser, adopt policy, appoint Appraisal Review Board members, and to adopt the annual budget. The Board members serve a two year staggered term beginning on January 1 following their election. Four members are selected in odd years and three members are selected in even years. To qualify as a member of the Board of Directors the individual must have been continuous resident of Stonewall County for the preceding two years. The County Tax Assessor/Collector is a voting member of the Board of Directors.

Article 8 of the Texas Constitution defines five basic rules for property taxes:

- Property taxes must be equal and uniform.
- Generally, property must be taxed at market value defined as "the price at which a property would transfer for cash or its equivalent under prevailing market conditions." There are limited exceptions to this rule, such as productivity value for agricultural land.
- Each property must have a single appraised value.
- All property is taxable unless federal or state law exempts it from taxation.
- Property owners have the right to reasonable notice of increases in the appraisal value of their property.

Appraisal practices are governed by the Texas Property Tax Code and rules are established by the Texas Comptroller of Public Accounts.
